

# Golden Hill Sports Ltd

incorporating YMCA Cricket Club,  
Golden Hill Sports FC & Golden Hill Sonics JFC

## KIT MAN/PHYSIO WANTED

One of Bristol's rapidly emerging amateur football clubs, **Golden Hill Sports FC** are seeking the voluntary support of a local person who would like to assist the first team on match days.

The football club, which was only formed 5 years ago, has rocketed through the local leagues and are already competing at the top of Bristol Suburban League division three. GHSFC is a friendly set up that enjoys the superb sporting facilities on offer at Golden Hill Sports Ground located off Kellaway Avenue. The football club operates in tandem with the well establish **YMCA Cricket Club** who have been using the venue during the summer months for over 100 years and also Golden Hill Sonics Junior Football Club who provide well organised junior football for 7 years old and above.

The club would welcome the assistant of a local person with an interest in football and who enjoys the camaraderie and excitement of amateur team sport. The Saturday afternoon duties will include preparing the kits and changing rooms and assisting the management with pre-match warm up routines.

Golden Hill Sports FC would be happy to fund any relevant courses that the individual may wish to undertake to support their role and would also offer a small fee if the person also wished to take on responsibility for the weekly kit wash.

If you think you would be interested please call first team manager **Phil Wilton on 07540 355994**
